INTRODUCTION

William J. Focazio, (“Focazio” or the “Debtor”) is the Debtor out-of-possession in the instant chapter 11 bankruptcy case. On January 15, 2019, the Debtor commenced his own bankruptcy case by filing a voluntary chapter 11 petition under the United States Bankruptcy Code (the “Code”), 11 U.S.C. § 101, et seq. Chapter 11 of the Code allows the Debtor to propose a plan of reorganization.

The plan may provide for the Debtor to reorganize by continuing to operate, to liquidate, or a combination of both. THE DOCUMENT YOU ARE READING IS THE DISCLOSURE STATEMENT (“DISCLOSURE STATEMENT”) FOR THE PLAN OF REORGANIZATION (the “Plan”) WHICH IS ANNEXED AS EXHIBIT A. *This is a reorganization plan.*

A. Purpose of This Document

This Disclosure Statement summarizes what is in the Plan and tells you certain information relating to the Plan and the process the Court follows in determining whether or not to confirm the Plan.

READ THIS DISCLOSURE STATEMENT CAREFULLY IF YOU WANT TO KNOW

ABOUT:

- (1) WHO CAN VOTE OR OBJECT,**
- (2) THE PROPOSED TREATMENT OF YOUR CLAIM (i.e., what your claim will receive if the Plan is confirmed), AND HOW THIS TREATMENT COMPARES TO WHAT YOU WOULD RECEIVE IN A CHAPTER 7 LIQUIDATION,**
- (3) THE HISTORY OF THE DEBTOR AND SIGNIFICANT EVENTS DURING THE BANKRUPTCY,**
- (4) WHAT THE COURT WILL CONSIDER WHEN DECIDING WHETHER TO CONFIRM THE PLAN,**

(5) THE EFFECT OF CONFIRMATION, AND

(6) THE FEASIBILITY OF THE PLAN.

This Disclosure Statement cannot tell you everything about your rights. You should consider consulting your own lawyer to obtain more specific advice on how this Plan will affect you and what is the best course of action for you.

Be sure to read the Plan as well as the Disclosure Statement. If there are any inconsistencies between the Plan and the Disclosure Statement, the Plan provisions will govern. Bankruptcy Code Section 1125 requires a Disclosure Statement to contain “adequate information” concerning the Plan. The term “adequate information” is defined in Code Section 1125(a) as “information of a kind, and in sufficient detail,” about the Debtor and his operations “that would enable a hypothetical reasonable investor typical of holders of claims or interests” of the Debtor to make an informed judgment about accepting or rejecting the Plan. The Bankruptcy Court (“Court”) has determined that the information contained in this Disclosure Statement is adequate, and it has approved this document in accordance with Bankruptcy Code Section 1125.

This Disclosure Statement is provided to each creditor whose claim has been scheduled by the Debtor or who have filed a proof of claim against the Debtor as of the date of approval of this Disclosure Statement. Under the Bankruptcy Code, your acceptance of the Plan may not be solicited unless you receive a copy of this Disclosure Statement prior to or concurrently with such solicitation.

B. Confirmation Procedures

Persons Potentially Eligible to Vote on the Plan

In determining acceptance of the Plan, votes will only be counted if submitted by a creditor whose claim is duly scheduled by the Debtor as undisputed, non-contingent and unliquidated, or who, prior to the hearing on confirmation of the Plan, has filed with the Court a proof of claim

which has not been disallowed or suspended prior to computation of the votes on the Plan. The Ballot Form that you received does not constitute a proof of claim. If you are uncertain whether your claim has been correctly scheduled, you should check the Debtor's Schedules, which are on file at the office of the Clerk of the Bankruptcy Court located at: United States Bankruptcy Court, Martin Luther King Federal Building & Courthouse, 50 Walnut Street, Third Floor, Newark, New Jersey 07102. The Clerk of the Bankruptcy Court will not provide this information by telephone.

THE COURT HAS NOT YET CONFIRMED THE PLAN DESCRIBED IN THIS DISCLOSURE STATEMENT. IN OTHER WORDS, THE TERMS OF THE PLAN ARE NOT YET BINDING ON ANYONE. IF THE COURT, HOWEVER, LATER CONFIRMS THE PLAN, THEN THE PLAN WILL BE BINDING ON THE DEBTOR AND ON ALL CREDITORS AND INTEREST HOLDERS IN THIS CASE. ***IF YOU VOTED ON THE PRIOR PLAN YOU NEED NOT SUBMIT ANOTHER VOTE AS THE TREATMENT IN THIS PLAN IS THE SAME AS THE PRIOR PLAN.***

1. Time and Place of the Confirmation Hearing

The hearing at which the Court will determine whether to confirm the Plan will take place on **November 24, 2020, at 2:00 p.m.**, in Courtroom 3B, United States Bankruptcy Court, Martin Luther King Jr. Federal Building & Courthouse, 50 Walnut Street, Third Floor, Newark, New Jersey 07102. Due to COVID-19, the hearing will be held telephonically.

Any interested party desiring further information about the Plan should contact the Debtor's counsel, Steven Mitnick, Esq. and Marc D. Miceli, Esq. at SM Law PC, P.O. Box 530, Oldwick, New Jersey 08858, telephone (908) 572-7275 or by emailing at the email addresses set forth in paragraph 3 above.

C. Disclaimer

The financial data relied upon in formulating the Plan is based on the Debtor's books and records as well as the opinion of Dr. William J. Focazio regarding future business prospects. The information contained in this Disclosure Statement is provided by the Debtor and his professionals. The Debtor represents that everything stated in the Disclosure Statement is true to the Debtor's best knowledge, information, and belief.

PLEASE NOTE THAT THE APPROVAL OF THIS DISCLOSURE STATEMENT BY THE BANKRUPTCY COURT DOES NOT CONSTITUTE A RULING ON THE MERITS, FEASIBILITY OR DESIRABILITY OF THE PLAN.

II.

BACKGROUND

A. Background of Debtor

Debtor, William J. Focazio (also referred as "Dr. Focazio") is an individual and medical doctor who owns Focazio MD PA, which is a professional association gastroenterology medical

practice organized in the State of New Jersey. The practice is located at 999 Clifton Avenue, Clifton, New Jersey (the “Property”). The Property was previously owned by DVCO, LLC (“DVCO”). DVCO is owned by Dr. Focazio. Pursuant to an agreement with First Commerce Bank (“FCB”) (Doc. 391), the Property was conveyed to FCB. Focazio MD PA remains at the Property as a tenant pursuant to the FCB settlement agreement on a month to month lease.

Dr. Focazio also owns Endo Surgical, which is a surgical center located at the Property that performs elective surgeries. Endo Surgical remains at the Property pursuant to the FCB settlement. As set forth more fully in the settlement agreement, there is a two-year lease/purchase option for the Property. Endo Surgical operates on the second floor of the Property. Dr. Focazio operates his medical practice out of the first floor. Endo Surgical’s revenues are generated by three sources: (1) surgeries and other medical procedures performed by Dr. Focazio, (2) facility/surgical room fees, and (3) surgeries performed by other third-party physicians operating at the facility.

Focazio MD PA currently employs approximately four (4) full-time employees. Endo Surgical currently employs approximately three (3) employees.

On or about January 23, 2015, DVCO entered into a certain commercial lease with Endo Surgical and Focazio MD PA for a portion of the Property. On December 5, 2016, the Honorable Thomas J. Laconte, P.J., Ch., entered an order appointing Lawrence J. Thomson as receiver (the “Receiver”), of the Property (the “Order”). The Order empowered the Receiver with care and possession of the Property. As a result of the Receiver’s Order and ultimately facing an eviction at the hands of the Receiver and to protect its businesses, the Debtors Focazio MD PA and Endo Surgical filed for protection under Chapter 11, Title 11 of the United States Code (“Bankruptcy Code”) to reorganize their affairs. Dr. Focazio also filed this bankruptcy case on January 15, 2019.

Prior to and since the filing date, the Debtors have had difficulty collecting their medical receivables due, in part, to inexperienced and careless staff leading to faulty infrastructure and certain issues with insurance companies. For example, Debtors' insurance claims were "flagged" by certain insurers as not having all the required data to process the claims. Such data was ministerial in nature, however, Debtors' staff failed to provide the correct information resulting in denial of the claims. The Debtors are now much better positioned to collect aged receivables and more importantly, on a go forward basis, due to hiring more experienced and more diligent personnel. Also, the Management Company (described more fully herein) will assist the Debtors by infusing funds into operations when needed and managing the facility to ensure a more effective and fluid collection process. Further, the Debtors were shut down from May through September 2019, due in part, to ministerial error by prior staff to reapply for accreditation with the Department of Health which was ultimately rectified. The Debtors are now poised to increase their businesses upon exiting bankruptcy.

Due to COVID-19, the Debtors' operations ceased as a result of the State of New Jersey shuttering all elective surgeries. During the shutdown, Dr. Focazio registered to volunteer his services to confront the pandemic. Dr. Focazio was not called into service by the State of New Jersey to assist in the pandemic, however, he was on standby and ready, willing and able to help in any manner required. Moreover, Dr. Focazio inventoried his medical equipment including ventilators to prepare to help patients at his surgery center. Further, he prepared his surgical units to assist any Covid-19 patients requiring life-saving care. Thus, due to the pandemic, Dr. Focazio could not generate any funds. Now, however, Dr. Focazio is generating revenues by conducting extensive COVID testing and is again examining patients. The Debtors anticipates a rash of new

business since many patients have not been willing to visit their doctors during the pandemic. Suffice to say, operations are resuming in the ordinary course of business.

Dr. Focazio has successfully obtained a pool of potential new clients. He is also hiring other physicians to perform surgeries to increase profits. For example, one doctor will perform bariatric surgery as well as general surgery. Another will perform endoscopy procedures and hiatal hernia repairs. A third doctor will perform joint and orthopedic treatments. A fourth doctor will perform pain treatment. The Doctor is also exploring other disciplines to increase revenues. Further, since the Management Company will be overseeing operations, it allows Dr. Focazio to perform more surgeries and avoid administrative duties. The Management Company is also bringing in other doctors.

B. Circumstances Leading To Bankruptcy

On or about January 23, 2015, DVCO entered into a certain commercial lease with the Debtors for a portion of the Property. On December 5, 2016, the Honorable Thomas J. Laconte, P.J., Ch. (the “Receiver”), entered an order appointing Lawrence J. Thomson as receiver of the Property (the “Order”).

The Order empowered the Receiver with care and possession of the Property. Pursuant to the Order, the Debtors were directed to pay to the Receiver all rents. The Receiver was authorized to prosecute all legal proceedings necessary to protect the Property. The Receiver stated that no payments were made by the Debtors during the term of the receivership.

On November 17, 2017, the Receiver demanded payment for all outstanding rent. On November 29, 2017, the Receiver filed a Verified Complaint against the Debtor and DVCO in the Superior Court of New Jersey, Law Division, Special Civil Part, Landlord Tenant Division, Passaic County (the “Passaic County Matter”). An eviction proceeding in the Passaic County Matter was

scheduled for January 16, 2018 which resulted in the corporate Debtors (i.e., Endo Surgical and Focazio MD PA) filing for bankruptcy protection.

The Debtors were harmed by poor back office infrastructure and it is believed there are multi-millions of uncollectible accounts receivables. In addition, HMO's have forced physicians to accept less for services and medical reimbursement payments are processed more slowly and at a reduced rate. The Debtors are hopeful with their new contemplated doctors and unique disciplines, they will generate higher profit surgeries/services and increase the facility fees.

C. First Commerce Bank

On February 27, 2020, Focazio MD PA, along with Endo Surgical and Dr. Focazio individually, filed a Motion (I) Approving Settlement and Compromise Pursuant to 11 U.S.C. § 105(A) and Fed. R. Bankr. P. 9019; (II) Permitting Debtor to Enter Into Modified Leases; (III) Resolving First Commerce Bank's Claims; and (IV) Granting Related Relief (the "Settlement Motion"). The Settlement Motion approved a forbearance agreement and deed-in-lieu of foreclosure agreement. Approval of the settlement was a major part of the Debtors moving forward with their plan of reorganization. Significantly, the settlement calls for a release of over \$7 million in secured claims as long as the settlement is adhered to.

FCB, the Debtors, and the various non-debtor and debtor persons and entities indebted to FCB on account of the loans and other obligations, the parties, including the Debtors, have agreed upon terms which are set forth in the Agreement. Such terms release substantial claims against several parties.

Specifically, in connection with the Agreement (including the releases of FCB and FCB related persons and entities set forth therein), the following was approved: (a) Leases between FCB and the Debtor will be modified to: (i) fix the rents payable to FCB; (ii) provide for the termination of the Leases upon the maturity of the Agreement; (c) authorize the Tenant(s) to commence the

modified Lease payments directly to FCB; (d) approve agreements between FCB and the Debtor concerning the allowance and treatment of FCB's claims; (e) FCB agrees to vote in favor of the Debtor's and affiliates plans of reorganization. Most significantly, the settlement authorized the Debtors to remain at the Property under a two-year lease with an option to acquire the Property. The right to acquire the property is also a significant inducement to the Management Company since it may want to partner with Dr. Focazio and/or Debtors to acquire an interest in the property at 999 Clifton Ave., Clifton, New Jersey. This allows the Debtors to maintain their on-going business in the same space without any moving and renovation costs.

III.

THE DEBTOR'S BANKRUPTCY

A. The Debtor's Chapter 11 Filing.

Dr. Focazio filed this voluntary Chapter 11 petition on January 15, 2019 (the "Petition Date"). Concurrently with the filing of his chapter 11 petition, the Debtor filed certain motions and proposed Orders (collectively, the "First-Day Orders"):

B. Significant Events During the Bankruptcy

The following is a chronological list of significant events which have occurred during this case:

On January 24, 2019, the Debtor filed an application to approve the retention of Scura Wigfield ("Scura Wigfield") as counsel. Doc. No. 12. On February 19, 2019, the Debtor filed an application to approve the retention of Kenneth S. Thyme as special counsel. Doc. No. 31.

On May 13, 2019, an Order was entered directing the appointment of a Chapter 11 Trustee. Doc. No. 69. On May 17, 2019, Edward A. Phillips was appointed as Chapter 11 Trustee (the

“Trustee”). Doc. No. 73. An Order approving the appointment of the Chapter 11 Trustee was entered on May 29, 2019. Doc. No. 78.

On May 30, 2019, Walsh Pizzi O’Reilly Falanga filed an application to be retained as counsel to the Trustee. Doc. No. 79. Walsh Pizzi was approved as counsel to the Trustee on June 7, 2019. Doc. No. 86.

On May 30, 2019, the Trustee filed an application to retain Eisner Amper, LLP (“Eisner”) as the Trustee’s accountant. Doc. No. 80. Eisner was appointed as the Trustee’s accountant on June 7, 2019. Doc. No. 87.

On June 25, 2019, Scura Wigfield filed a Motion to Withdraw as Debtor’s counsel. Doc. No. 93. This motion was withdrawn. Doc No. 106.

On August 2, 2019, John P. Di Iorio substituted in for Scura Wigfield as Debtor’s counsel. Doc. No. 98.

On October 27, 2019, the Trustee filed an application to retain Integrated Property Group, LLC d/b/a Auction Advisors (“Auction Advisors”) as the Trustee’s broker / auctioneer. Doc. No. 119. Auction Advisors was granted as the Trustee’s broker on November 25, 2019. Doc. No. 131.

On January 3, 2020, Allstate New Jersey Property and Casualty Insurance Company (“Allstate”) filed an adversary complaint against the Debtor. See Adv. No. 20-01004.

On February 10, 2020, the Office of the United States Trustee filed a motion to convert the Debtor’s case to Chapter 7 (the “Conversion Motion”). Doc. No. 140. The Debtor filed a cross-motion to dismiss his case (the “Cross-Motion”) on March 10, 2020. Doc. No. 146. The Conversion Motion and Cross-Motion have been adjourned several times and are being mutually withdrawn by the parties..

On February 11, 2020, John P. Di Iorio filed a motion to withdraw as Debtor's counsel. Doc. No. 141. This motion was granted on April 2, 2020. Doc. No. 156.

On April 5, 2018, FCB, Arthur Street,¹ Dr. Focazio,² Riverwood Surgical,³ DVCO,⁴ Focazio MD PA, Metropolitan,⁵ Fox Hedge Manor, LLC ("Fox Hedge"),⁶ and Endo Surgical (collectively, the "Obligors") entered into a forbearance agreement (the "First Forbearance").

In the First Forbearance, DVCO, as well as other Obligors, acknowledged \$12,928,803.14 total indebtedness due and owing to FCB as of March 1, 2018. The Obligors, in exchange for a period of forbearance, agreed to make certain payments to FCB.

DVCO, as well as other obligors, received a credit of \$4,700,000 reducing the indebtedness due to FCB as a result of transferring the Arthur Street property to FCB's designee through a deed-in-lieu of foreclosure. After the Arthur Street transaction, the amount owed by the Debtor and other debtor and non-debtor entities was close to \$8 million. Such debt to FCB was secured by and cross-collateralized (and cross-default provisions) by all or substantially all of the Debtors' assets.

FCB has agreed to forbear from exercising its rights under the First Forbearance provided that DVCO and Obligors comply with the terms of the FCB Settlement (as described herein).

On July 14, 2020, the Chapter 11 Trustee filed a *Notice of Inventory of Items Removed By Trustee From Debtor's Residence* (Doc. No. 178). The Trustee has provided pictures of the inventory but not an inventory list. However, the pictures seem to provide enough information to determine what was removed. On August 12, 2020, the Debtor's affiliated entity, William Focazio

¹ Non-debtor company owned by Dr. Focazio.

² Dr. Focazio filed a Chapter 11 bankruptcy on January 15, 2019, Case No. 19-10880.

³ Non-debtor company owned by Dr. Focazio.

⁴ Non-debtor company owned by Dr. Focazio.

⁵ Non-debtor company owned by Dr. Focazio.

⁶ Fox Hedge filed a Chapter 11 bankruptcy on August 9, 2019, Case No. 19-25457. Fox Hedge's case was dismissed on October 10, 2019.

MD, P.A. filed its proposed Subchapter V Plan in the bankruptcy case captioned In re William Focazio, MD, P.A. (Case No. 18-10752)(VFP) (See Doc. No. 403 in that bankruptcy case).

In addition, on August 12, 2020, the Debtor's other affiliated entity, Endo Surgical Center of North Jersey, P.C. filed its proposed Subchapter V Plan in the bankruptcy case captioned In re Endo Surgical Center of North Jersey, P.C. (Case No. 18-10753)(VFP) (See Doc. No. 404 in that bankruptcy case).

On August 31, 2020, the Trustee filed an application to retain Auction Advisors as the Trustee's broker / auctioneer. Doc. No. 183. Auction Advisors was granted as the Trustee's broker on September 10, 2020. Doc. No. 185.

On September 23, 2020, Dr. Focazio amended his petition to small business under Subchapter V of Chapter 11. Several parties objected to his election, along with Focazio MD PA and Endo Surgical's election, a hearing was held, and the election was denied for all three debtors. Nonetheless, the Debtor (and the corporate Debtors) will now continue to proceed under Chapter 11 of the Bankruptcy Code and file this amended plan which provides for the exact same treatment to all creditors as set forth the Subchapter V plan that was filed and served on all creditors.

C. The Allstate Adversary Proceeding

As stated above, on January 3, 2020, Allstate filed an adversary complaint against the Debtor. See Adv. No. 20-01004 (the "**Adversary Proceeding**"). In the Complaint, Allstate sought nondischargeability of certain debts under 11 U.S.C. §§523(a)(2) and (a)(6) and 11 U.S.C. §§727(a)(3) and (a)(4)(A) and (D), among other counts. Upon information and belief, all of the allegations in the adversary proceeding arose on or before 2012.

The Court entered default against the Debtor on July 22, 2020 (Doc. No. 7 in the Adversary Proceeding). On September 24, 2020, Allstate filed its Request to enter Default Judgment against

the Debtor in the amount of \$3,208,064.26 (Doc. No. 10 in the Adversary Proceeding). A proof hearing on the requested default judgment is currently scheduled for November 24, 2020.

The Debtor reserves all rights to this claim and amount and intends to retain counsel to defend the Adversary Proceeding.

The Debtor's position is that if the Adversary Proceeding is defended and dismissed, the claim will have no impact on this proposed Chapter 11 Plan as no amounts will be due and owing. To the extent that the Debtor is not successful in defending this Adversary Proceeding, however, such debt will remain a nondischargeable debt against the Debtor, which will survive the Debtor's proposed Chapter 11 Plan. In that event, it is the Debtor's position is that Allstate's claim will be subject of the general injunction provisions of Section VI hereunder and under the proposed Chapter 11 Plan. The foregoing notwithstanding, to the extent that Allstate's claim becomes a liquidated judgment, Allstate will be paid on its judgment on a pro rata basis as a general unsecured claim in the Endo Surgical / Focazio MD PA joint plan until that plan is concluded after which time, Allstate may seek enforcement of the balance of its judgment against the Debtor.

D. 2020 Forbearance Agreement and Settlement with FCB

On January 24, 2020, FCB and DVCO entered into a Forbearance and Deed-in-Lieu of Foreclosure Agreement (the "Agreement"). FCB agreed to accept a deed-in-lieu of foreclosure of the Property in partial fulfillment of the outstanding indebtedness.⁷ Title to the Property has been conveyed by DVCO to FCB.

⁷ As set forth more fully herein, the terms and conditions of the FCB Settlement and Agreement, FCB agrees to waive and release the remainder of its claims against all parties obligated under the Loan. Such parties include, but not limited to Dr. Focazio individually and Endo Surgical, both Debtors. The Settlement was a key component to filing the plans in all three Debtors' cases. The waiver of over \$8 million in secured and unsecured claims paved the way to file such plans.

FCB has agreed to lease the Property to Focazio MD PA or Endo Surgical or an affiliate (collectively, if applicable, the "Tenant(s)") approved by FCB. The period of this tenancy will be for no longer than two (2) years. Extensions of the lease term must be mutually agreed by DVCO, Tenant(s), and FCB. If the buy-back option is not exercised (as described herein), Tenant(s) will promptly vacate the premises at the expiration of the term leaving the premises in "broom clean" condition. Focazio MD PA and Endo Surgical can vacate at any time before the two-year option and as long as they have not defaulted under the settlement Agreement, FCB waives and releases any and all claims.

The Tenant(s) (Focazio MD PA and Endo Surgical) will be required to pay monthly rent of \$10,000 for the first (6) months of its tenancy (commencing February 15, 2020)⁸; \$12,500 for months (7) thru (12); \$15,000 for months (13) thru (18) and; \$17,500 for months (19) thru (24). Tenant shall pay all utility costs incurred at the Property. Tenant(s) will be further required to maintain insurance on the Property and pay a property tax escrow of \$5,000 commencing with the May 1, 2020, payment and every month thereafter throughout the remainder of the term. DVCO and Tenant(s) shall provide that the Property is continuously insured against loss and casualty. A separate lease agreement will be prepared for execution between FCB and Tenant(s). Tenant(s) shall not be permitted to sublease any portion of the Property without FCB's consent.

DVCO and FCB agreed to a purchase option agreement providing DVCO with the right to purchase the subject property back from FCB as follows:

- \$3,200,000 if purchase transaction closes within six (6) months from the date of the buy-back option or;
- \$3,300,000 if purchase transaction closes more than six (6) months from the date of the buy-back option but less than twelve (12) months from the date of the buy-back option or;

⁸ The earlier payments were deferred because of COVID-19.

- \$3,400,000 if purchase transaction closes more than twelve (12) months from the date of the buy-back option but less than eighteen (18) months from the date of the buy-back option or;
- \$3,500,000 if purchase transaction closes more than eighteen (18) months from the date of the buy-back option but less than twenty-four (24) months from the date of the buy-back option;
- Any rights that DVCO has under the buy-back option will expire twenty-four (24) months from the date of the buy-back option. The buy-back option may not be exercised in the event there is any breach of the per month payment obligations or there is a breach of the option agreement; and
- At the end of this twenty-four (24) month period, FCB will have no obligation to sell the property back to the seller. Once the option period expires, DVCO and its designee shall have no further rights concerning the property and shall quit the property.

FCB and DVCO acknowledge that the real estate taxes on the Property were in arrears. FCB cured the arrearage for taxes due through the first half of 2020 on or before May 1, 2020. The outstanding taxes previously paid on the Property by FCB (and any subsequent tax payments) will increase the amount required to be paid by DVCO to FCB to purchase the property under the buy-back option. FCB will not release its liens on any of the collateral property securing the obligations in the names of Grantor, Riverwood Surgical, Fox Hedge, William Focazio, or related entities and related party judgment-Debtor during the pendency of the buy-back option period (unless the option is exercised). FCB preserves its rights to foreclose and pursue its remedies under the foreclosure judgment.

If the buy-back option is not exercised, FCB will release remaining liens and claims, in the approximate amount of \$5 million, against Obligors, including, DVCO, Riverwood Surgical, Fox Hedge, Focazio MD PA, Endo Surgical, and Dr. Focazio, individually, only if both: (a) Tenant(s) have vacated the premises leaving it in "broom clean" condition; and (b) DVCO has not defaulted under the terms of the Agreement. If the buy-back option is exercised, FCB will release remaining liens and claims against Obligors, including, DVCO, Riverwood Surgical Center, Fox Hedge Manor, LLC, and Dr. Focazio in the approximate amount of \$5 million (after a credit for the value

of the Property) only if both: (a) Amounts specified in Buy-Back Option section are received by DVCO within the timeframe specified in each clause; and (b) all taxes, insurance, sheriff fees, costs, and other charges incurred by DVCO are fully reimbursed to FCB. FCB will forbear from any further executions on outstanding judgments entered against Dr. Focazio and his related entities, including but not limited to Focazio MD PA and Endo Surgical, during the pendency of the buy-back option period, provided that Dr. Focazio and his related entities are not in default upon this agreement or prior forbearance agreement(s).

DVCO will have a twenty (20) day cure period for any payment due under the terms of the lease and buy-back agreement without notification from the grantor. DVCO, Riverwood Surgical, Fox Hedge, Dr. Focazio, Endo Surgical, Focazio MD PA, and the related party judgment-Debtor shall indemnify, defend and hold FCB harmless for any and all claims made by the Passaic County Sheriff's Office for any fees, commissions, payment or other sums due, if any, to it concerning the sheriff sale or the Foreclosure Judgment obtained by FCB concerning the Property.

In bankruptcy cases of certain affiliates of DVCO (Dr. William Focazio, individually), as long as DVCO is not in default of the terms, FCB agrees to vote in favor of their plans that incorporates the terms of the Agreement (or agreements derived therefrom). Thus, as noted, FCB is the dominant creditor by far and its support and wavier of claims is critical to reorganize.

As a result of the settlement, FCB alleges it is owed approximately \$8,277,966 as of December 31, 2019.

On August 12, 2020, the corporate Debtors (Focazio MD PA and Endo Surgical) amended their petitions to small business cases under Subchapter V of Chapter 11. On September 23, 2020, Dr. Focazio amended his petition to small business under Subchapter V of Chapter 11. Several parties objected, a hearing was held, and the election was denied. Nonetheless, the Debtors will

now continue to proceed under Chapter 11 of the Bankruptcy Code and filed this amended plan which provides for the exact same treatment as set forth the Subchapter V plan that was filed and served on all creditors.

2. Procedures Implemented to Resolve Financial Problems

To remedy the problems that led to the bankruptcy filing, the Debtors have, among other things, continued to streamline expenses. The Debtors are hopeful that upon exiting bankruptcy and with their new contemplated doctors and unique disciplines, they will generate higher profit surgeries/services and increase the facility fees. The Debtors have entered into a Management Agreement (defined herein) which will enable the Debtors to emerge from bankruptcy and successfully reorganize.

FCB has filed a ballot in favor of all three debtors' plans.

IV.

SUMMARY OF THE PLAN OF LIQUIDATION

A. What Creditors Will Receive Under the Proposed Plan

The Plan classifies claims in various classes. The Plan states whether each class of claims is impaired or unimpaired. The Plan provides the treatment each class will receive. A copy of the Plan is annexed hereto as **Exhibit A**.

B. Unclassified Claims

Certain types of claims are not placed into voting classes. They are not considered impaired and they do not vote on the Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, the Debtor has not placed the following claims in a class.

1. Administrative Expenses and Fees

Administrative Expenses are claims for costs or expenses of administering the Debtor's Chapter 11 Cases which are allowed under Bankruptcy Code section 503(b). Fees payable to the Clerk of the Bankruptcy Court and the Office of the United States Trustee were also incurred during the Chapter 11 Case. The Bankruptcy Code requires that all administrative expenses be paid on the Effective Date of the Plan, unless a particular claimant agrees to different treatment.

Except if any Entity entitled to payment of an Allowed Administrative Expense Claim agrees to a different treatment, each Holder of an Allowed Administrative Expense Claim will receive Cash on the later of (a) the Effective Date and (b) the first Business Day after the date that is 30 calendar days after the date such Administrative Expense Claim becomes an Allowed Administrative Expense Claim. Under the Debtors plan, Administrative Expenses Claims will not be paid upon confirmation but will be paid in the plan over time in full.

2. Fee Claims

The following chart lists all of the Debtor's unpaid fees and expenses ("Compensation") and an estimate of future professional fees and other administrative claims and fees due under the Plan:

ADMINISTRATIVE CLAIMS - It is estimated that the Chapter 11 Trustee and his professionals' fees total \$200,000. Such claims include prior counsel for the Debtor, John P. DiIorio in the amount of \$8,758.40; Walsh Pizzi O'Reilly Falanga, counsel to the Chapter 7 Trustee; Edward A. Phillips, Chapter 7 Trustee; Eisner Amper, LLP, accountant for Chapter 7 Trustee; Integrated Property Group, LLC d/b/a Auction Advisors, broker to Chapter 7 Trustee. SM Law PC shall be paid \$20,000 at confirmation. Initial Payment of \$50,000 to administrative professional creditors upon confirmation of the Plan leaves a balance of \$150,000¹¹ to be paid over sixty (60) months in equal monthly installments of \$2,500. The initial payment shall be made by the Management Company and the sixty (60) monthly payments thereafter shall be funded by the Reorganized Debtor and the Management Company on an as needed basis. Quarterly fees shall be paid in full at confirmation.

¹¹ \$20,000 out of the \$50,000 payment allocated to professional fees is for Debtor's new counsel, SM Law PC.

NAME	AMOUNT ESTIMATED	TREATMENT	TYPE OF CLAIM
SM Law PC	20,000.00 ¹²	Payment in full on Effective Date, or through other agreement.	Administrative
Chapter 11 Trustee and his counsel, Walsh Pizzi O'Reilly Falanga, LLP	\$200,000.00 \$30,000.00 to be paid at confirmation	Payment in full on Effective Date, or through other agreement. ¹³	Administrative
Clerk's Office Fees	TBD	Payment in full on Effective Date, or through other agreement.	Administrative
Office of U.S. Trustee Fees	Approximately \$4,000.00 ¹⁴	Payment in full on Effective Date.	Administrative
Expenses arising in the ordinary course of business after the Petition Date.	TBD ¹⁵	Payment in full on Effective Date, or through other agreement.	Administrative
APPROXIMATE TOTAL	\$224,000.00¹⁶ (estimated)		

¹² SM Law PC will be paid \$20,000 at confirmation of the plan by the management company, with additional fees and costs to be paid by non-Debtor sources outside the plan post-confirmation.

¹³ After Bankruptcy Court approval, Payment through the Plan as follows: Initial Payment of \$50,000 to administrative professional creditors upon confirmation of the Plan and the balance paid over sixty (60) months in equal monthly installments. The initial payment shall be made by the Management Company and the sixty (60) monthly payments thereafter shall be funded through operations by the Reorganized Debtor and the Management Company on an as needed basis.

¹⁴ This is an estimate only.

¹⁵ The Debtor has accrued post-petition utility bills in connection with his residence which he will vacate. Such utility bills will attach as liens to the property as in rem charges. The Debtor disputes any claim made by Wellcare, TCCM and/or Ms. Nancy Sullivan who may assert a claim against the Debtor for approximately \$49,970.00. If such claim is valid, such debt would be claim in Endo and MD PA, not the Debtor's case.

¹⁶ The Debtor is also reviewing the claims of Shapiro Croland Reiser Apfel & DiIorio ("Shaipro Croland") in the amount of \$8,758.40 and Scura Wigfield Heyer & Stevens ("Scura Wigfield") in the amount of \$27,837.50 and Debtor reserves his right to object to same.

All entities seeking an award by the Bankruptcy Court of Fee Claims (i) shall file their respective final applications for allowance of compensation for services rendered and reimbursement of expenses incurred by the date that is 30 days after the Effective Date and (ii) shall be paid in full in such amounts as are Allowed by the Bankruptcy Court (a) on the date upon which the Order relating to any such Allowed Fee Claim is entered, or (b) upon such other terms as may be mutually agreed upon between the holder of such an Allowed Fee Claim and the Debtor or Plan Administrator, as applicable. The Plan Administrator is authorized to pay compensation for services rendered or reimbursement of expenses incurred after the Confirmation Date in the ordinary course and without the need for Bankruptcy Court approval.

As indicated above, the Debtors will need to satisfy approximately \$224,000.00 in Fee Claims as set forth in the Plan.

3. Priority Tax Claims

Priority tax claims are certain unsecured income, employment and other taxes described by Code Section 507(a)(8). To the extent that such Claim has not been previously satisfied, each Holder of an Allowed Priority Tax Claim, if any, shall receive in full satisfaction of such Allowed Priority Tax Claim: (a) payment in Cash equal to the unpaid portion of such Allowed Priority Tax Claim within seven (7) Business Days after such Allowed Priority Tax Claim becomes an Allowed Claim, or as soon thereafter as is practicable; or (b) Cash in an amount agreed to by the Debtors and such Holder; provided, however, that any Claim or demand for payment of a penalty (other than a penalty of the type specified in Section 507(a)(8)(G) of the Bankruptcy Code) shall be disallowed pursuant to this Plan and the Holder of an Allowed Priority Tax Claim shall not assess or attempt to collect such penalty from the Debtor or the Estate.

The following chart provides an estimate of Priority Tax Claims for Focazio:¹⁷

TAX CLAIMS – Per the Internal Revenue Service (“IRS”) and State of New Jersey, Division of Taxation proofs of claim for taxes, they are owed as follows: IRS – POC #9 in the amount of \$551,813.43 with priority of \$203,816.08; and State of NJ POC #16 in the amount of \$428,745.09 which includes a a priority claim of \$217,197.64. The Debtor shall pay the IRS \$25,000 on account of its administrative claim upon confirmation. In addition, the Endo Surgical and Focazio MDPA debtors will pay the IRS an additional \$75,000 collectively towards the IRS’ administrative claims. The balance of the IRS administrative claims of approximately \$75,000 shall be collectively paid in the plans of all three debtors over sixty (60) months or sooner depending on profits. The balance of the IRS’ non-administrative claims and the State’s claims shall be paid over sixty (60) months. The initial \$25,000 payment to be paid to the IRS for its administrative claims shall be made by the Management Company (defined below) and thereafter the payments over sixty (60) months shall be funded by the Reorganized Debtor and/or the Management Company on an as needed basis.¹⁸

Below are the Focazio’ priority tax claims:

Name of Taxing Authority and Type of Tax	Estimated Amount Owed	Date of Assessment	Treatment

POC 9 was later amended on October 16, 2020 to \$402,031.14 (\$347,997.35 secured and \$54,033.79 unsecured). On November 13, 2020, POC 9 was amended to \$347,997.35 secured with 0.00 as unsecured.

--	----------------------------	--	--------------------------

On October 21, 2020, the IRS filed an objection to the confirmation of the Debtor's small business plan of reorganization (Doc. No. 211) (the "Objection"). The Debtor has been in discussions with the IRS and has drafted and transmitted a proposed Stipulation and Consent Order to the IRS which he hopes and anticipates will resolve the IRS' Objection. The proposed terms of the Stipulation are as follows:

1. The debtors William J. Focazio, M.D., P.A. ("**Focazio MD PA**") and Endo Surgical Center of North Jersey ("**Endo Surgical**") (collectively the "**Business Debtors**") entered into a consent order with the IRS on November 9, 2020 (the "**Focazio MD PA Consent Order**") which was submitted to the Bankruptcy Court on November 11, 2020 for entry in the bankruptcy case captioned In re William J. Focazio, M.D., P.A., et al. (Case No. 18-10752)(VFP) (the "**Focazio MD PA Bankruptcy Case**") (See Docket No. 449 in the Focazio MD PA Bankruptcy Case). Except as provided herein, the terms contained in the Focazio MD PA Consent Order are hereby incorporated by reference and made a part hereof.
2. The payments to be made by the Business Debtors pursuant to the Focazio MD PA Consent Order shall be applied towards the Focazio MD PA and/or the Endo Surgical tax debts.
3. In the event that the Business Debtors default under the terms of the Focazio MD PA Consent Order, and such default is not cured as set forth therein, then any unpaid trust fund tax will continue as a nondischargeable trust fund tax against the Debtor, William J. Focazio, individually.
4. The IRS supports the Debtor's Amended Plan as modified by this order.
5. If a dispute arises under the terms of this Stipulation and Consent Order, the Debtor and the IRS consent to the jurisdiction of the Bankruptcy Court to resolve such dispute.

C. Classified Claims and Interests

1. Classes of Secured Claims

²¹ The total claim is \$428,745.09.

Secured claims are claims secured by liens on property of the estate. If there are assets available, the below creditors will be paid upon the priority they should receive, otherwise they will be treated as an unsecured claim.

SECURED CLAIMS – First Commerce Bank (“FCB”) is owed in excess of \$7,671,243.94, however, FCB’s claim is contingent and shall be waived and released in accordance with a settlement agreement entered into on May 20, 2020 (Case No. 18-10752; Doc. 391). FCB has also agreed to vote its claim in favor of the Debtor’s plan as well as in the plans of the related debtors – Endo Surgical Center of North Jersey, P.C. (Case No. 18-10753)²² and William Focazio, MD, P.A. (Case No. 18-10752) (collectively, all three cases are referred to as the “Debtors”)²³. FCB is secured by all or substantially all of the Debtors’ assets. In addition, FCB has a substantial unsecured claim in all of the Debtors’ cases.

In addition, there are three parcels of real estate located at Inlet Drive, Point Pleasant Beach (Lot 41A, 43 and 41) (the “**Point Pleasant Lots**”), which are secured by debts other than FCB.

SB One Bank (“**SB One**”) asserted a secured claim against 41A Inlet Drive, Point Pleasant Beach, New Jersey in the amount of \$556,211.61 (See POC No. 21-1).

Wilmington Savings Fund Society, FSB, as trustee of Stanwich Mortgage Loan Trust A (“**Wilmington**”) asserted a secured claim against 43 Inlet Drive, Point Pleasant Beach, New Jersey in the amount of \$697,455.30 (See POC No. 17-1).

Oritani Bank (“**Oritani**”) asserted a secured claim against 41 Inlet Drive, Point Pleasant, New Jersey in the amount of \$168,376.07 (See POC No. 18-1). Upon information and belief, the Oritani debt was acquired by Valley National Bank.

With respect to the Point Pleasant Lots described above, a party is seeking to purchase the notes of SB One, Wilmington and Oritani (or Valley National Bank) for a sum to be negotiated. The purchaser will enter into a stand down agreement with the Debtor for one year after the Effective Date of the Plan.

The following chart lists all classes containing the Debtor’s secured prepetition Claims and their proposed treatment under the Plan:

²² Cases are jointly administered in Case No. 18-10752.

²³ The claims in the Debtors’ cases are virtually similar so payments in one case may be utilized to pay off debt in another case.

Class #	Description	Insider (Yes or No)	Impairment	Treatment
1	First Commerce ²⁴ Bank ("FCB") (POC 19) \$8,277,966 ²⁵	No	Yes	As noted above, claims are being waived and released if settlement complied with.
1	SB One Bank (POC 21-1) \$556,511.61	No	Yes	As noted above, the Debtor intends to have this Note sold to a third party.
1	Wilmington Bank (POC 17-1) \$697,455.30	No	Yes	As noted above, the Debtor intends to have this Note sold to a third party.
1	Oritani / Valley National Bank (POC 18-1) \$168,376.07	No	Yes	As noted above, the Debtor intends to have this Note sold to a third party.

2. Classes of Priority Unsecured Claims

Certain priority claims that are referred to in Bankruptcy Code Sections 507(a)(3), (4), (5), (6), and (7) are required to be placed in classes. These types of claims are entitled to priority treatment as follows: the Bankruptcy Code requires that each holder of such a claim receive cash on the Effective Date equal to the allowed amount of such claim. However, a class of unsecured priority claim holders may vote to accept deferred cash payments of a value, as of the Effective Date, equal to the allowed amount of such claims.

The Debtor does not have any such claims.

3. Class of General Unsecured Claims

²⁴ In or around April 2018, the Debtor, amongst other entities, entered into a Forbearance Agreement with First Commerce Bank. Pursuant to the Agreement, the Debtor, amongst other parties, pay FCB a monthly payment of \$34,286.68 for interest due and owing on all outstanding amounts of indebtedness.

²⁵ FCB filed its claim in the amount of \$7,601,949.05, however, this amount is owed as of December 31, 2019.

General unsecured claims are uncollateralized claims not entitled to priority under Code Section 507(a). The following chart identifies this Plan's treatment of the class containing all of Debtor's general unsecured claims:

UNSECURED CREDITORS - Unsecured creditors are owed approximately \$2,851,000²⁶. Unsecured creditors shall be paid pro rata of \$150,000 of their allowed claims over eight (8) years on a monthly basis for a monthly payment of \$1,562.50. Payments will be made by the Reorganized Debtor and/or Management Company on an as needed basis.

The following chart identifies the Plan's proposed treatment of Class[es] through, which contain general unsecured Claims against the Debtor:

Class #	Description	Impairment	Treatment
3	General Unsecured Class Total amount of claims (approximately \$2,851,200 ²⁷) = (this amount is still being determined in light of the fact that certain claims are subject to objection and reclassification). ²⁸	Yes	Unsecured creditors will be paid \$150,000 pro rata payment over eight (8) years on a monthly basis in the amount of \$1,562.50. Payments will be made by the Reorganized Debtor and/or Management Company.

4. Class of Interests

Dr. Focazio will be retaining his equity interest in Focazio MD PA and Endo Surgical.

The following chart sets forth the Plan's proposed treatment of the class[es] of Equity Interest holders: [There may be more than one class of Equity Interest holders in, for example, a partnership case, or a case where the prepetition debtor had issued multiple classes of stock.]

²⁶ Claims total approximately \$5,851,000, however, Allstate New Jersey Property and Casualty Insurance, Claim No. 22, will be treated through Endo Surgical / Focazio MD PA's joint plan. Once that joint plan is concluded, Allstate may seek enforcement of the balance of its judgment against the Debtor.

²⁷ As per the Claims Register in the Debtor's individual bankruptcy case, the general unsecured claims total approximately \$5,851,201.14. However, the disputed claim of Allstate New Jersey Property and Casualty Insurance Claim No. 22 (claim amount \$3,179,020.92) is being treated in Endo Surgical's plan.

²⁸ Includes State of New Jersey, Division of Employer Accounts (POC 3-1) in the amount of \$60,164.36 due to the fact that FCB has a lien on all assets.

Class #	Description	Impairment	Treatment
Dr. William Focazio	Equity Interest holder	unimpaired	Retain 100% equity

D. Means of Effectuating the Plan

1. Funding for the Plan

The Reorganized Debtor is entering into a management agreement with RJ Capital to provide capital as needed and for operations.²⁹ Through operations and financial assistance of RJ Capital, plan payments shall be funded.

The terms of the Management Agreement are as follows:

- Management Company to pay \$25,000 towards administrative tax claims on the effective date of confirmation and \$50,000 towards administrative expenses as set forth above.
- Unsecured creditors are to be paid \$150,000 pro rata on their allowed claims over eight (8) years on a monthly basis in the amount of \$1,562.50. Payments will be made by the Reorganized Debtor through operations and/or Management Company as required; and
- Management Company is committed to contribute up to \$1 million to assist the Debtor with its operational needs to fund certain payments under the Plan, expand Debtor's business and increase revenues. The Management Company shall receive a monthly management fee to be determined. See footnote 29.

On Confirmation of the Plan, all property of the Debtor, tangible and intangible, including, without limitation, licenses, furniture, fixtures and equipment, will revert, free and

²⁹ The Debtor intends to clarify its relationship, both monetary and non-monetary, with RJ Capital by filing a Certification of Dr. Focazio in support of confirmation which attaches the Management Agreement between the parties. The Management Agreement will articulate (1) the funding to be provided by RJ Capital, (2) the compensation arrangement between the parties (the 60% arrangement is no longer applicable and will be clarified), and (3) the numerous duties that RJ Capital will be handling. In short, RJ Capital will be handling all back office duties including hiring, firing, scheduling, accounting, tax filings, procuring equipment, building management, etc. The purpose of the Management Agreement is to, among other things, allow Dr. Focazio to solely concentrate on practicing medicine and generating revenues therefrom. RJ Capital will be in charge of and be responsible for all non-medical duties and management as will be set forth in the Management Agreement.

clear of all Claims and Equitable Interests except as provided in the Plan, to the Debtor. The Debtor expects to have sufficient cash on hand to make the payments required on the Effective Date.

The Board of Directors of the Debtor immediately prior to the Effective Date shall serve as the initial Board of Directors of the Reorganized Debtor on and after the Effective Date. Each member of the Board of Directors shall serve in accordance with applicable non-bankruptcy law and the Debtor's certificate or articles of incorporation and bylaws, as each of the same may be amended from time to time.

E. Other Provisions of the Plan

1. Executory Contracts and Unexpired Leases

Executory Contracts are contracts where significant performance of the contract remains for both the Debtor and another party to the contract. The Debtor has the right to reject, assume (i.e. accept), or assume and assign these types of contracts to another party, subject to the Bankruptcy Court's approval. The paragraphs below explain the Debtor's intentions regarding its Executory Contracts (which includes its unexpired leases) and the impact such intentions would have on the other parties to the contracts.

The agreement with FCB is an executory contract as the month to month lease and the option to buy is executory. See Doc. No. 391 in the Focazio MD PA bankruptcy case (Case No. 18-10752) (VFP).

The Debtor holds a contract with Son Rise for the maintenance/rental of copy machines and printers. Son Rise also holds a contract with the affiliated debtor – Endo Surgical.

All proofs of claim with respect to claims arising from said rejection must be filed with the Bankruptcy Court within the earlier of (i) the date set forth for filing claims in any order of the

Bankruptcy Court approving such rejection or (ii) thirty (30) days after the Confirmation Date. Any such claims, proofs of which are not filed timely, will be barred forever from assertion.

2. Changes in Rates Subject to Regulatory Commission Approval

The Debtor is not subject to governmental regulatory commission approval of his rates.

3. Retention of Jurisdiction

The Court shall retain jurisdiction of this case pursuant to the provisions of Chapter 11 of the Code, pending the final allowances or disallowances of all Claims effected by the Plan, and with respect to the following matters:

- a) To enable the Debtors to consummate the Plan and to resolve any disputes arising therefrom;
- b) To adjudicate all controversies concerning the classification, estimation or allowance of any Claim herein;
- c) To make such Orders as are necessary or appropriate to implement the provisions of this Plan;
- d) To determine the classification, estimation and priority of all claims against the Debtors and to re-examine any Claims which may have been allowed;
- e) To determine applications for the rejection or assumption of executory contracts or unexpired leases pursuant to the provisions of this Plan which are not determined prior to the Confirmation date and to determine allowance of Claims for damages with respect to rejection of any such executory contracts or unexpired leases within such time as the Court may direct;
- f) To oversee and issue further appropriate orders respecting disbursement of amounts deposited as may be required by this Plan;
- g) To conduct hearings on valuation, as necessary, and to determine whether any party in interest is entitled to recover against any Person any Claim, whether arising under Section 506(c) of the Bankruptcy Code, or arising out of a voidable preference, a fraudulent transfer, or otherwise;

- h) To hear and determine all applications for compensation and other Administrative Expenses;
- i) To hear and determine any and all pending adversary proceedings or contested matters;
- j) To determine all causes of action which may exist in favor of the Debtors ;
- k) To determine any modification of the Plan after confirmation pursuant to Section 1127 of the Code;
- l) To enter any order, including injunctions, necessary to establish and enforce the rights and powers of the Debtors under the Plan;
- m) To enter a final decree pursuant to Rule 3022 of the Bankruptcy Rules.

4. Procedures for Resolving Contested Claims

The Plan Administrator and any other party in interest shall have sixty (60) days subsequent to confirmation to object to the allowance of claims. The bar date for submission of claims was **May 21, 2019**. The Debtor reserves the right to object to any and all claims which have been filed or which may be filed.

5. Effective Date

The Plan will become effective on the Effective Date which shall be the 1st day of the month following the date which is thirty (30) days after the date on which the order of confirmation becomes final.

6. Modification

The Debtor may alter, amend or modify the Plan at any time prior to the Confirmation Date and thereafter as provided in Section 1127(b) of the Bankruptcy Code.

F. Tax Consequences of Plan

CREDITORS AND INTEREST HOLDERS CONCERNED WITH HOW THE PLAN MAY AFFECT THEIR TAX LIABILITY SHOULD CONSULT WITH THEIR OWN ACCOUNTANTS, ATTORNEYS, AND/OR ADVISORS. The following disclosure of possible tax consequences is intended solely for the purpose of alerting readers to possible tax issues this Plan may present to Debtor. The Debtors CANNOT and DO NOT represent that the tax consequences contained below are the only tax consequences of the Plan because the Tax Code embodies many complicated rules which make it difficult to state completely and accurately all the tax implications of any action.

The following are the tax consequences that the Plan will have on the Debtors' tax liability:

None anticipated.

The following are the anticipated tax consequences of the Plan: There will be different tax consequences for different individuals and entities, however, generally a cash basis taxpayer will recognize income to the extent they received funds.

G. Risk Factors

The following discussion is intended to be a non-exclusive summary of certain risks attendant upon the consummation of the Plan. You are encouraged to supplement this summary with your own analysis and evaluation of the Plan and Disclosure Statement, in their entirety, and in consultation with your own advisors. Based on the analysis of the risks summarized below, the Debtor believes that the Plan is viable and will meet all requirements of confirmation.

There are no known risks at this time other than the normal risks associated with operating a business.

V.

CONFIRMATION REQUIREMENTS AND PROCEDURES

PERSONS OR ENTITIES CONCERNED WITH CONFIRMATION OF THIS PLAN SHOULD CONSULT WITH THEIR OWN ATTORNEYS BECAUSE THE LAW ON CONFIRMING A PLAN OF REORGANIZATION IS VERY COMPLEX. The following discussion is intended solely for the purpose of alerting readers about basic confirmation issues, which they may wish to consider, as well as certain deadlines for filing claims. The Debtor CANNOT and DOES NOT represent that the discussion contained below is a complete summary of the law on this topic.

A. Who May Vote or Object to the Debtor's Plan of Reorganization

1. Who May Object to Confirmation of the Plan

Any party in interest may object to the confirmation of the Plan, but, as explained below, not everyone is entitled to vote to accept or reject the Plan.

2. Who May Vote to Accept/Reject the Plan

A creditor has a right to vote for or against the Plan if that creditor has a claim that is both (1) allowed or allowed for voting purposes and (2) classified in an impaired class.

a. What Is an Allowed Claim

As noted above, a creditor must first have an allowed claim to have the right to vote. Generally, any proof of claim will be allowed, unless a party in interest brings a motion objecting to the claim. When an objection to a claim is filed,³⁰ the creditor holding the claim cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim for voting purposes.

THE BAR DATE FOR FILING A PRE-PETITION PROOF OF CLAIM IN THIS CASE WAS **May 21, 2019**.

A creditor may have an allowed claim even if a proof of claim was not timely filed. A claim is deemed allowed if (1) it is scheduled on the Debtors' schedules and such claim is not scheduled as disputed, contingent, or unliquidated, and (2) no party in interest has objected to the claim.

b. What Is an Impaired Claim

As noted above, an allowed claim has the right to vote if it is in a class that is impaired under the Plan. A class is impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class. For example, a class comprised of general unsecured claims is impaired if the Plan fails to pay the members of that class 100% of their claim plus interest.

³⁰ Focazio MD PA and Endo Surgical intend to file a motion to object, dispute or reduce certain claims.

Parties who dispute the Debtor's characterization of their claim as being impaired or unimpaired may file an objection to the Plan contending that the Debtor has incorrectly characterized the class.

3. Who Is Not Entitled to Vote

The following four types of claims are not entitled to vote: (1) claims that have been disallowed; (2) claims in unimpaired classes; (3) claims entitled to priority pursuant to Code Section 507(a)(1), (a)(2), and (a)(8); and (4) claims in classes that do not receive or retain any value under the Plan. Claims in unimpaired classes are not entitled to vote because such classes are deemed to have accepted the Plan. Except as otherwise provided, claims entitled to priority pursuant to Code Section 507(a)(1), (a)(2), and (a)(7) are not entitled to vote because such claims are not placed in classes and they are required to receive certain treatment specified by the Code. Claims in classes that do not receive or retain any value under the Plan do not vote because such classes are deemed to have rejected the Plan. EVEN IF YOUR CLAIM IS OF THE TYPE DESCRIBED ABOVE, YOU MAY STILL HAVE A RIGHT TO OBJECT TO THE CONFIRMATION OF THE PLAN.

4. Who Can Vote in More Than One Class

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim is entitled to accept or reject a Plan in both capacities by casting one ballot for the secured part of the claim and another ballot for the unsecured claim.

5. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cramdown" on non-accepting classes, as discussed later in Section (IV.A.7).

6. Votes Necessary for a Class to Accept the Plan

A class of claims is considered to have accepted the Plan when more than one-half ($\frac{1}{2}$) in number and at least two-thirds ($\frac{2}{3}$) in dollar amount of the allowed claims that actually voted, voted in favor of the Plan.

7. Treatment of Nonaccepting Classes

As noted above, even if all impaired classes do not accept the proposed Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner required by the Code. The process by which nonaccepting classes are forced to be bound by the terms of the Plan is commonly referred to as “cramdown”. The Code allows the Plan to be “crammed down” on nonaccepting classes of claims if it meets all consensual requirements except the voting requirements of section 1129(a)(8) and if the Plan does not “discriminate unfairly” and is “fair and equitable” toward each impaired class that has not voted to accept the Plan as referred to in 11 U.S.C. §1129(b) and applicable case law.

8. Request for Confirmation Despite Nonacceptance by Impaired Class(es)

The party proposing this Plan asks the Court to confirm this Plan by cramdown on impaired classes if any of these classes do not vote to accept the Plan.

H. Liquidation Analysis

Another confirmation requirement is the “Best Interest Test,” which requires a liquidation analysis. Under the Best Interest Test, if a claimant is in an impaired class and that claimant does not vote to accept the Plan, then that claimant must receive or retain under the Plan property of a value not less than the amount that such holder would receive or retain if the Debtor’s assets were liquidated under Chapter 7 of the Bankruptcy Code.

In a Chapter 7 case, the Debtor’s assets are usually sold by a Chapter 7 trustee. Secured creditors are paid first from the sales proceeds of properties on which the secured creditor has a lien.

Administrative claims are paid next. Next, unsecured creditors are paid from any remaining sales proceeds, according to their rights to priority. Unsecured creditors with the same priority share in proportion to the amount of their allowed claims.

For the Court to be able to confirm this Plan, the Court must find that all creditors who do not accept the Plan will receive at least as much under the Plan as such holders would receive under a Chapter 7 liquidation. The Debtor maintains that this requirement is met here for the following reasons:

Conversion of the case to Chapter 7 will substantially delay the dividend, if any, to creditors herein and result in an additional layer of administrative expenses associated with Chapter 7 Trustee's commissions and the professional fees of the Chapter 7 Trustee which will be paid before priority unsecured and general unsecured creditors receive their pro rata share of available estate assets. As such, the Debtor believes that secured, priority unsecured and general unsecured creditors are better off by the liquidation of the estate assets and payment of the claims of creditors in accordance with its Chapter 11 Plan of Liquidation, as opposed to conversion of the case to a proceeding under Chapter 7. In Chapter 7 liquidation, general unsecured creditors will receive no dividend.

I. Feasibility

Another requirement for confirmation involves the feasibility of the Plan, which means that confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of Debtor or any successor to Debtors under the Plan, unless such liquidation or reorganization is proposed in the Plan.

There are at least two important aspects of a feasibility analysis. The first aspect considers whether Debtors will have enough cash on hand on the Effective Date of the Plan to pay all the claims and expenses that are entitled to be paid on such date. The Debtor maintains that this aspect of feasibility is satisfied as illustrated here, based upon the value of the Debtor's assets.

The second aspect considers whether the Debtor will have enough cash over the life of the Plan to make the required Plan payments.

Dr. Focazio is expecting to earn approximately \$370,000.00 per year and will be decreasing his living expenses. Below is a chart indicating the projected financial budget over the next sixty (60) to ninety-six (96) months:

PROJECTED FINANCIAL BUDGET

Balance of Disposable Income		182.00⁴⁰

³⁶ Gross income is projected at \$370,000.00 per year.
Gross monthly is \$30,833.33

³⁷ Debtor believes the total tax debt is \$210,000, which this Plan proposes to pay. The taxing authorities will be paid \$25,000 at confirmation, leaving \$185,000 to be paid over 60 months of the plan (i.e., \$3,083.33 per month).

³⁸ The total professional fees are projected at \$200,000, of which \$50,000.00 will be paid at confirmation. The balance of the \$150,000 will be paid over 60 months at \$2,500.00 per month.

³⁹ The general unsecured claims are projected at \$150,000.00, which will be pro rata over 96 months at (\$1,562.50 per month) (Amount in chart is rounded).

⁴⁰ The \$182.00 net estimated disposable income is based on the first 60 months. From month 61 through month 96, the net disposable income is estimated to be approximately \$5,765.00 per month.

The Debtor's financial projections are feasible based upon their financial records maintained by Debtors prior to and during the pendency of the bankruptcy case and anticipated future business.

Accordingly, the Debtors' Plan is feasible.

VI.

EFFECT OF CONFIRMATION OF PLAN

A. Discharge

The Plan provides that upon confirmation of the Plan, the Debtor shall be discharged of liability for payment of debts incurred before confirmation of the Plan, to the extent specified in 11 U.S.C. §1141. However, any liability imposed by the Plan will not be discharged. If Confirmation of the Plan does not occur or if, after Confirmation occurs, the Proponents elect to terminate the Plan, the Plan shall be deemed null and void. In such event, nothing contained in the Plan shall be deemed to constitute a waiver or release of any claims against the Debtor or his estate or any other persons, or to prejudice in any manner the rights of the Debtor or his estate or any person in any further proceeding involving the Debtor or his estate. The provisions of the Plan shall be binding upon Debtor, the Proponents, all creditors and all equity interest holders, regardless of whether such claims or equity interest holders are impaired or whether such parties accept the Plan, upon Confirmation thereof. Moreover, any judgments docketed against the Debtor in the State of New Jersey and any county or subdivision thereof will be expunged upon confirmation of the Plan.

B. Release of Claims

1. Release

Except as otherwise expressly provided for in this Plan, the distributions and rights afforded in the Plan shall be complete and full satisfaction and release, effective as of the Effective

Date, of all Claims against the Debtor or any of his assets or properties of any nature whatsoever. Commencing on the Effective Date, except as otherwise expressly provided for in this Plan, all Claimants are forever releasing, waiving, and discharging and shall be precluded forever from asserting against the Debtor of any other or further claims, obligations, suits, judgments, liens, encumbrances, damages, debts, rights, causes of action, and liabilities whatsoever arising on or prior to the Effective Date in any way relating to the Debtor, the conduct of the Debtor's business or affairs, this Chapter 11 Case, or the Plan, including but not limited to all principal and accrued and unpaid interest on the debts of the Debtor based on any act or omission, transaction or other activity or security instrument or other agreement of any kind or nature occurring, arising or existing prior to the Effective Date, that was or could have been the subject of any Claim, whether or not Allowed; provided, however, that such release, waiver and discharge shall not apply in any respect to any acts or omission that are the result of fraud, gross negligence or willful misconduct by the Debtor from the Petition Date to the Effective Date.

On and after the Effective Date, as to every Claim, every Holder of a Claim shall be precluded from asserting against the Debtor for any further Claim based on any document, instrument, act, omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date.

Pursuant to Bankruptcy Rule 9019, confirmation of the Plan shall constitute, and all consideration distributed under this Plan shall be in exchange for and in complete satisfaction, settlement, and release of and an injunction against, all as of the Effective Date, any and all Claims, demands, allegations or causes of action, against the Debtor and his respective agents, representatives, officers, shareholders, members, employees, financial advisors, accountants, attorneys, or employees for any liability for actions taken or omitted to be taken in good faith under

or in connection with the Plan or in connection with the Chapter 11 case or the operation of the Debtor during the pendency of the Chapter 11 case.

2. Settlement of Claims and Controversies; General Injunction

The provisions of the Plan shall constitute a good faith compromise and settlement of claims or controversies relating to the contractual and legal rights that a Holder of a Claim may have with respect to any Claim, or any distribution to be made on account of such an Allowed Claim.

Except as otherwise provided in the Plan, the Confirmation Order will provide that all persons and entities who have held, hold, or may hold Claims against the Debtor are permanently enjoined, on and after the Confirmation Date, from (A) commencing or continuing in any manner any action or other proceeding of any kind with respect to any such Claim or taking any act to recover such Claim outside of the claims allowance procedure discussed in the Plan and the Bankruptcy Code and Bankruptcy Rules, (B) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or Order against the Debtor on account of any such Claim, (C) creating, perfecting or enforcing any encumbrance of any kind against the Debtor or against the property or interests in property of the Debtor on account of any such Claim and (D) asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from the Debtor or against the property or interests in property of the Debtor on account of any such Claim.

C. Revesting of Property in the Debtor

Except as provided in the Plan, the confirmation of the Plan revests all of the property of the estate in the Debtor. Dr. William Focazio will receive 100% ownership of the corporate Debtors upon confirmation.

D. Modification of Plan

The Proponent may modify the Plan at any time before confirmation. However, the Court may require a new disclosure statement and/or revoting on the Plan if Proponent modifies the plan before confirmation. *You do not have to re-vote if you already voted.*

The Proponent may also seek to modify the Plan at any time after confirmation so long as (1) the Plan has not been substantially consummated, and (2) the Court authorizes the proposed modification after notice and a hearing. Proponents further reserves the right to modify the treatment of any Allowed Claims at any time after the Effective Date of the Plan upon the consent of the Creditor whose Allowed Claim treatment is being modified, so long as no other Creditors are materially adversely affected.

E. Post-Confirmation Conversion/Dismissal

Focazio MD PA

The Post-Confirmation Officers/Managers of the corporate Debtors, and their compensation, shall be as follows:

Name	Position	Compensation
RJ Capital	Manager	60% of Net Profits

Name	Position	Compensation
RJ Capital	Manager	60% of Net Profits

Name	Position	Compensation

A creditor or party in interest may bring a motion to convert or dismiss the case under Section 1112(b), after the Plan is confirmed, if there is a default in performance of the Plan or if cause exists under Section 1112(b). If the Court orders the case converted to Chapter 7 after the Plan is confirmed, then all property that had been property of the Chapter 11 estate, and that has not been disbursed pursuant to the Plan, will revert in the Chapter 7 estate, and the automatic stay will be reimposed upon the reverted property only to the extent that relief from stay was not previously granted by the Court during this case.

Quarterly fees pursuant to 28 U.S.C. § 1930(a)(6) continue to be payable to the Office of the United States Trustee post-confirmation until such time as the case is converted, dismissed, or closed pursuant to a final decree.

F. Closing of Case

Immediately following the first payment under the Plan, such Plan shall be deemed “consummated” and the Debtor will move to close the cases. Nothing herein shall prevent the Debtor from completing or instituting such proceedings as may be necessary for the enforcement of any claim of the Debtor which may have existed against any third party before or which may exist after Confirmation which may have not been enforced or prosecuted prior to Confirmation.
